

LETTER TO BRITISH EMBASSY

British Embassy,
Four Points Ak Altin Hotel,
301-308 Office Building,
Ashgabat,
Turkmenistan.

Dear Sir,

Amnesty International UA: 35/12 Index: EUR 61/001/2012

Geldy Kyarizov

I attach a letter sent to the Turkmen President and Foreign Minister in support of Amnesty International's Urgent Action over former Turkmen Horse Minister Geldy Kyarizov.

Of course this is not a British affair, but while Mr. Kyarizov was in prison from 2002 - 2007 the British Embassy in Ashgabat was enormously helpful and supportive, due to the number of British voices raised in Mr. Kyarizov's cause.

I and Geldy's many friends across the world would be enormously grateful if there were anything you could do to speak for or otherwise help him. Thank you.

Yours faithfully,
